

# New Jersey Music Educators Association

**Dear << Test First Name >>**

I hope that this email finds you healthy and ready for a relaxing summer, following the most challenging school year we have ever experienced!

The NJ All-State Chorus is thrilled to finally announce that we will be presenting a 2021-2022 experience for our students! Attached you will find all the information you and your students will need to begin preparing. Due to all of the extenuating circumstances presented to us by the pandemic, this year's All-State Choruses will be very different than in previous years. The most important difference will be that, as we gradually transition back toward normalcy, the Mixed Chorus will be presenting an abbreviated virtual performance in December 2021, while the Treble Chorus will be presenting an abbreviated live performance in February 2022.

Please read all of the attachments very carefully. Registration will open on September 1, but you may begin preparing your students now and throughout the summer.
