

# New Jersey Music Educators Association

Dear << Test First Name >>

I hope that this email finds you and your students staying healthy and having a successful school year despite all of the challenges.

The NJ All-State Chorus is thrilled to announce our 2022-2023 season!  
Attached you will find all the information you and your students will need to begin preparing.

1. [Director's Packet](#)
2. [Director Agreement for Audition Recording MP3 Submissions](#)
3. [Student Audition Requirements](#)
4. [StudentFolder.info Pitch Files Orientation](#)
5. [TheDirectorsRoom.com Pitch Files Orientation](#)

Please note the following key changes from the 2021-22 Auditions:

- The solo for 2022-23 is "Deep River". There is a new rubric and reference recordings provided.
- Registration Managers will only check your paperwork. Registration Managers will **not** check any online submissions. Applications are the Final Word regarding voice parts. *This means Directors have complete*

*responsibility now.* No one will double-check your MP3s against the submitted applications.

- No Voice part change date as the uploaded MP3 and the app should be identical. If adjudicators find a difference between the application voice part and the mp3, the student will receive all 9's for that adjudication.
- Please read the **DIRECTOR'S AGREEMENT** carefully to assure that you fully understand your commitments and agreements!

If you have any questions or concerns, please do not hesitate to contact me at [michaeldoheny70@gmail.com](mailto:michaeldoheny70@gmail.com). Thank you so much for your support, and we look forward to working with you and your students in 2022-2023!
